

THE
JOINERS ARMS

BLOXHAM

About us.

We've been at the heart of the beautiful village of Bloxham, close to the village green, since the mid-16th Century, and our recent refurbishment puts us in great shape to continue this legacy.

A Grade II listed property, The Joiner's is being sympathetically restored and bought back to its former glory, proudly showcasing many of our original features and offering a warm, home-from-home welcome to local villagers and those from further afield.

Inside you can dine in our stunning new orangery restaurant or grab a bite in the bar as you see fit; four-legged friends are welcome here too. Plus soak up the sun for drinks and alfresco dining on our expansive patio or hidden garden, complete with rugs for those that wish to snuggle up.
